### Overview of shareholder voting results

Key issues in shareholder voting from October to December 2022:

- We voted in accordance with TMAM basic policy and guidelines on shareholder voting.
- This quarter there were no proposals with potential for conflicts of interest.

### Reasons for voting against appointment/dismissal of directors

- Screening based on whether a company has met earnings criteria
- Where a company meets earnings criteria, discussions are held on a case-by-case basis; as a general rule we vote against appointment where earnings fall short of our screening criteria.

## **Disclosure of shareholder voting results**

In addition to our decision on each individual proposal, we disclose our rationale when voting against company proposals or in favour of shareholder proposals. We also publish our rationale for proposals subject to potential conflict of interest review, where unlawful or unethical behaviour has been detected, where our decision ran against TMAM guidelines, and for other case-specific factors.

We will continue to use shareholder voting as a tool to request that the companies in which we invest address corporate governance in good faith and for the interest of beneficiaries.
