### Overview of shareholder voting results

Key issues in shareholder voting from January to March 2022:

- We continue to vote in accordance with TMAM guidelines. Decisions reflect our investigations into the circumstances of individual companies.
- This quarter there were no proposals with potential for conflicts of interest.
- Where necessary, we publish the rationale behind decisions in our table of full shareholder voting results.

### Reasons for voting against appointment/dismissal of directors

- Screening based on whether a company has met earnings criteria
- Where a company meets earnings criteria, discussions are held on a case-by-case basis; as a general rule we vote against appointment where earnings fall short of our screening criteria.

### Disclosure of shareholder voting results

In addition to our decision on each individual proposal, we disclose our voting rationale in the following areas:

- Proposals with potential for conflicts of interest
- Proposals where unlawful or unethical behaviour has been detected
- Proposals where our decision ran against TMAM guidelines
- Shareholder proposals where we considered TMAM guidelines

We will continue to use shareholder voting as a tool to request that the companies in which we invest address corporate governance in good faith and for the interest of beneficiaries.
