### Overview of shareholder voting results

Key issues in shareholder voting from July to September 2021:

- We continue to vote in accordance with TMAM guidelines. We have also been investigating how individual companies are responding to the protracted Covid-19 pandemic.
- This quarter there were no proposals with potential for conflicts of interest.
- Where necessary, we publish the rationale behind decisions in our table of full shareholder voting results.

We vote against retirement bonus payments where outside directors or audit and supervisory board members are included, or where payment levels are not disclosed.

### Disclosure of shareholder voting results

In addition to details of how we voted on each individual proposal, we disclose our voting rationale in the following areas:

- Proposals with potential for conflicts of interest
- Proposals where unlawful or unethical behaviour has been detected
- Proposals where our decision ran against TMAM guidelines
- Shareholder proposals where we considered TMAM guidelines

We will continue to use shareholder voting as a tool to request that the companies in which we invest address corporate governance in good faith and for the interest of beneficiaries.
